A PARTIAL LIST OF THE FAMILIES WHO RESIDED  
IN BUCKS COUNTY, PENNSYLVANIA, PRIOR TO  
1687, WITH THE DATE OF THEIR ARRIVAL.

[In volume VIII. of the Magazine (p. 382) we printed a partial list of the families who arrived at Philadelphia between 1682 and 1687. In introducing it to our readers we explained that it must not be looked upon as a "List of Arrivals," made up of entries recorded at the time the several families mentioned in it landed. It was, in fact, a record made in conformity with a law passed in 1684, directing the inhabitants then in the province, and those who should thereafter arrive, to register in their respective counties. The following list is a similar one relating to Bucks County. It was prepared under the same statute, and while not a complete record, is probably nearer so than the Philadelphia list. In printing we have followed a certified copy of the original in possession of the Historical Society.]
