Dear Mr. Moore:

Thank you for your patience with the delay in responding to your request for genealogical research.

The Repplier marriage record was found in St. John the Evangelist, although the parents' names are not listed. The following is a full and complete transcription.

May 29,\* 1839 – St. John the Evangelist Church  
John G. Repplier married Mary McGawley  
Witnesses: John B. Lancaster, Susannah Whelan, and others (not named)  
by Bishop Francis Patrick Kenrick  
(\*You list the date as May 23.)

Their son's baptismal record was found in Old St. Mary's.

Jacob Lancaster Repplier  
born May 15, 1844  
baptized July 6, 1844 – Old St. Mary Church  
Parents: John G. and Mary Repplier  
Sponsors: Dominick and Caroline Mary Eagle  
by Rev. C. J. H. Carter

I do hope these records are helpful to you. If I can be of any further assistance, please advise.

Sincerely yours,

**Christine Friend,  
Assistant Archivist**
