

~~But~~ I have just got  
in my possession at present  
£ 7.. 15. I got £ 2.. 10 from  
uncle W. which you sent for  
the coat (which is to be got  
to day, as well as some boots)  
and they gave me £ 1 at  
Woodside, so that would  
leave £ 4. 5 out of the  
£ 17.. you gave me, making  
my travelling expences from  
London (including everything)  
£ 12.. 15.. uncle Jeffrey says

he thinks that seems very moderate, considering the ~~the~~ weight of my baggage which had to be paid heavily for. I should like all money transactions to be managed ~~there~~ through him.

I had heard a great deal about aunt Margaret, but certainly I did not expect to find her such a ~~very~~ magnificent woman. Their house appears to me to be as comfortable as any floor house can well be. I am to dine with them again on Sunday
