("SCHUYLKILL ROOTS", Researchers) is a team composed of the following individuals:

Jean A. DELLOCK  
104 N. Broad Mountain Ave.  
Frackville, Penna. 17931  
SPECIALTY: Court and Census Records

Phillip A. RICE  
433 Biddle St.  
Gordon, Penna. 17936  
SPECIALTY: Church and Cemetery Records

It is our goal to collect, abstract, compile, present and publish records obtained from Church, Cemetery, Court, and other Depositories, which would be useful to the Genealogist and Historian. Although our work is centered mostly in Schuylkill County, we will at times, present information from adjoining counties.

At intervals, we will also be presenting records that have been compiled by: Dr. Glenn P. SCHWALM, a noted researcher and authority on early German Records. These will be presented with his full permission.

Our list of records is constantly growing, and may be ordered from the publisher, or from either of the compilers listed above. Please write for our current list of publications and prices.

Thank You,  
"SCHUYLKILL ROOTS", Researchers

NOTE: Because of the immense size of this record, we have elected to break it down into several sections, thereby eliminating a large un-wielding book, in favor of smaller easy-to-handle booklets. Each booklet will have its own comprehensive surname index.
